

## Final Final Update (definitely!)

### Event Timetable – and changes to shuttle bus timetable

The entry figures for the championships are significantly larger than expected, thanks to a huge influx on the last seven days. This has necessitated an early start on the first three days, with the first event now at 7.30 am. The shuttle bus timetable has been amended to take this into account, with the first bus now leaving the Kings Perth Hotel at 6.15 am, not 6.30 am as previously advised. The rest of the bus times are unchanged.

### Registration

Registration will be manned (more likely womanned) on Thursday from 12 noon and on Friday from 7am. On the other days the times will be announced later. If you wish to get to the stadium on Thursday for registration (12noon – 6pm **DO NOT ARRIVE BEFORE 12 NOON – THE REGISTRATION ROOM WILL NOT BE READY**) you can catch the no. 28 bus on Wellington Street. The following times are for the timed stop closest to William Street. The Barrack Street stop (nearest to the Kings Hotel) is about 3mins before these times and the City Stay Apartments stop about 10mins after. Get off when the bus turns into Challenge Stadium about 25 mins after leaving the city centre. Western Australia Athletics Stadium (WAAS) is about a 5min walk (across the grass and car parks) from the bus stop. Follow the signs.

### No.28 bus from the city:

11.10am and every hour until 3.10pm. Then 3.40pm 4.10pm 4.30pm 4.50pm 5.12pm

**Note** that the last bus to the city leaves Challenge Stadium at 5.45pm. Shuttle bus does not run Thursday.

Your race pack will include a flyer giving details for the free shuttle bus and the Transperth bus No.28 between Perth city centre and the stadium. The shuttle bus timetable is on the next page. All these times, and details of pick up points, will be on a notice board in the KP Hotel and CS Apartments.
