Some of the important decisions taken at the Conference were:-

1. A Cross Country Championship will be held in conjunction with the T. and F. Championships
2. Australia will not press for the 1979 or Championships.
3. An Australian Veterans Marathon title to be conducted in conjunction with the Australian Open Marathon provided the A.A.U. is agreeable. Entries close 30 days before and unless there are representatives from at least three states in any age group there will be no Championship in that age group.

AUSTRALIAN CHAMPIONSHIPS:

Perth turned on some beautiful weather, if not a trifle too hot, but it gave interstate athletes the chance to see what conditions the W.A. athletes are forced to compete under.

I cannot let the opportunity pass to say that the Perry Lakes Stadium is a disgrace to a fine progress City, one which in the years since the 1962 B.C.E.G. has gone ahead in leaps and bounds while the "major" athletic stadium has gone backward. If you weren't there you can envisage an athletic track, very black and therefore hot, bumpy, pitted and worn; this is Perry Lakes. This comment does not in any way reflect on the athletes or officials as I am sure they are as concerned as I am about the lack of Local or State Government interest.

Now the results, but firstly we must congratulate all concerned with the organisation on officiating, it was First Class, to the Man of the Meet, John Gilmour, tremendous, John.

These results have been edited slightly for space only.
