Did you know that Darwin's premier Fun Run is held in June annually?

The NT ConocoPhillips City2Surf will be held on the 4th of June 2017. If you would like to participate while you're staying in Darwin, please register at www.ntcity2surf.com.au

'Darwin really comes alive at this time of year'

"We would like to acknowledge the Larrakia people who are the traditional custodians of this land. We would also like to pay respect to the elders past and present of the Larrakia nation and extend that respect to other Aboriginal people present."

QUICK FACTS

When:

9th June – 12th June 2017

Where:

Darwin, Northern Territory

Travel:

You know you are at the top of the country when your flights in and out are at midnight. Be sure to check your flight times carefully when booking your flights.

Accommodation:

From local caravan parks to hotels and motels, there is plenty of accommodation on offer close by the track. For more information, please visit our website: www.ntathletics.org.au

DARWIN & THE NORTHERN TERRITORY

Relatively cool weather arrives in May, and until July, nights are crisp and the mornings are misty. Temperatures range from 17-23 °C during the night and a pleasant 29-32°C degrees during the day. Darwin really comes alive at this time of year as everyone makes the most of the clear skies and heads outdoors.

This is a great time to recline in a deckchair and watch a movie under the stars at the open-air Deckchair Cinema; or watch the sunset over the Timor Sea after visiting the famous Mindil Beach Markets.

It is also the perfect time to explore the more remote areas of the region that can be inaccessible during the wet.
