## **CATEGORY A – ORGANIZED MEETING**

Pre-organized competitions run by organizations at an athletics facility like a track, designated jumping / throwing field or arena or gym or certified road course with all applicable WMA Rules being followed.

## **CATEGORY B – UNOFFICIAL COMPETITION**

Officiated competitions at an athletics facility. As described above, officials can be friends or fellow competitors timing, marking, measuring and calling fouls. WMA Rules should be followed.

## **CATEGORY C – ANYWAY SAFE**

Road, parking lot, field or wherever else the athlete can compete safely except on equipment like a treadmill. WMA Rules followed wherever possible.

**RESULTS** will be by 5 year age group and searchable by affiliation, region, athlete and competition category. Results will not be published until after the submission deadline. Final results will be published after the process below is complete:

1. Performances will be reviewed by the Challenges Team as they are submitted and athletes will be contacted with requests for clarifications where applicable.
2. Preliminary results will be published as soon as possible after 3 November, most likely within 48 hours.
3. People are encouraged to review the preliminary results and provide feedback to the Challenges Team. Feedback will be accepted until 19 November.
4. The Challenges Team will further review performances, follow up on feedback received and clarification requests then make appropriate changes.
5. Final results should be published on or before 1 December
