TEAM MANAGERS REPORT 2023 WORLD MASTERS INDOOR ATHLETICS CHAMPIONSHIP Torun, Poland March 26-April 1

Team numbers were down on recent Championships as the impact of Covid, the repeat venue of Torun, the war in Ukraine and tough economic times were all influencing athletes' decision and ability to travel.

Australia was represented by 38 athletes and placed 11th from 55 countries with 12 Gold, 7 Silver, 11 Bronze and 46 new Australian Indoor records.

There were 44 entries, with 5 withdrawals and one athlete, John Cooper, being denied exit from Australia at the airport as he had a tear on a page of his passport.

Team Communication

An initial Newsletter was posted for all AMA athletes to provide information and motivation to register. This was followed by regular emails to team members after the close of registration, a ZOOM meeting a month out and a second Newsletter.

A Facebook page and WhatsApp group was the source of team communication for the Championship with the WhatsApp being the primary mode.

The Championship webpage and Handbook were excellent.

With the numbers I was able to give a daily post of who was doing what and at what local times for the next day on the team and AMA Facebook along with results from the day and this received high praise from many. With Stadia Championships and increased numbers this will be difficult but a modified approach could be ongoing.

Flag Bearer(s)

Lynne and Bob Schickert were named as team Flag Bearers during the Team Zoom meeting prior to AMA Facebook announcement the next day. Lynne was unable to march with the Australian team due to her World Masters Athletics commitments and position.

Championship

With the benefit of the 2019 Championship experience and the appointment of the 2024 World Athletics Championship and the additional support the venues and organisation

were outstanding. Daily team Manager meetings were well structured, efficient, and positive. Both WMA and LOC staff were excellent.

Team Gatherings

The Australian Flag was hung and positioned a home base where most athletes gathered daily to communicate and support.

Two dinners were held - one on The Thursday night (for those leaving early and one on the last night where most attended and celebrated the week's experiences.

The opening ceremony also provided the opportunity for the team to meet and share the excitement.

<u>Relays</u>

Our relay selectors did a great job led by the experienced Wilma Perkins and supported by the knowledge and enthusiasm of Lenore Lambert and Rob Mayston. Relay report and recommendations is separate.

Manager Travel and Accommodation

Air Travel was made through Expedia and accommodation through Bookings.com. Car hire was also booked through Bookings.com. It wasn't as cheap or user friendly as first thought so recommend better known companies for future.

Thanks

Huge thanks firstly to Barbra Blurton for her work with registrations and collating individual responses to a spread sheet; to Judy Farrell for her every ready and assistance with posts, communication and general help; to Donna Hiscox for organising the Thursday dinner venue; to Jill Taylor for Team Facebook; to Rob Mayston for being my roommate and assisting with navigation while driving on the wrong side of the road; to all team members for their efforts and support that made the week a wonderful, joyous experience; and finally to Wilma Perkins for her work and support as Assistant Manager. Wilma has a wonderful calming nature and experience and that allowed me to support our out of stadia athletes.

Full team list

Names, age division, state, and withdrawals in red and crossed are on last page. Recommendations

- 1. Review Athlete Form to best address transformation of information and specifically address necessary relay information.
- 2. AMA Board to review surveys by Lenore Lambert in conjunction with Wilma Perkin's feedback.
